Hi Jack,

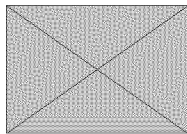

That sounds good to me.

Thanks,

Jeryl

Subject: Yerington FMS water balance refresh

Dante and Jeryl,

Following up on our recent conversation, I am having B&C revise the water balance for the FMS system based on current observations of system performance. We should be able to get a tech memo on this topic to you by January 2016. Let me know if you have any questions or would like to discuss further at this time.

Thanks,

-jack
